## Power Tune Rover Engines Road Track

**timing for modified engines - first fives** - ignition timing for modified engines an often neglected but important area when tuning an engine is the ignition system. no i don't mean harder plugs, competition coils, lumenition etc., that only affect the efficiency of the spark, but the **vmars auction - vmarsmanuals** - the vmars news sheet issue 110 may 20123 with the other land rovers from series 1 through to defender and wolf variants. anne and i met two or three vmars members at this event,
